

GOA GETAWAY

The trip is split 3 nights in North Goa (Candolim – lively beaches, forts, markets, nightlife) and 3 nights in South Goa (Colva – quieter beaches, Old Goa churches, Dudhsagar Falls, Palolem), connected by a single road transfer on Day 4. All flight, hotel and cab prices below were fetched live from the MakeMyTrip MCP tools for the exact travel dates; sightseeing entry fees, scooter rental and food costs are triangulated from current travel-cost web research, since MakeMyTrip does not sell local day-sightseeing cab packages or attraction e-tickets.

Getting There: Bengaluru ↔ Goa Transport Comparison

MakeMyTrip's intercity comparison tool was queried for both legs, pricing flight, train and cab options side by side for 2 adults. Trains for these December dates are outside Indian Railways' 60-day booking window (opens 16 Oct 2026 for the outbound, 22 Oct 2026 for the return); the fares shown are MakeMyTrip's own *indicative* quotes for the nearest bookable date on the same weekday, not the actual 15/21 Dec fare.

Outbound – 15 December 2026 (Bengaluru → Goa)

Mode	Option	Depart-Arrive	Duration	Cost (2 pax)
Flight (chosen)	IndiGo 6E 6554 nonstop	19:00-20:20	1h 20m	Rs 8,734
Flight (alt.)	IndiGo 6E 977 nonstop	20:50-22:10	1h 20m	Rs 8,734
Train (indicative)	16210 Ajmer Exp, CC class*	23:50-08:28	8h 38m	Rs 1,470
Cab	Sedan (Dzire/Etios), one-way	~10:00 start	11h 30m	Rs 12,407

* Train fare is indicative, quoted for 03-Nov-2026 (same weekday) – not bookable for 15-Dec until 16-Oct-2026.

Return – 21 December 2026 (Goa → Bengaluru)

Mode	Option	Depart-Arrive	Duration	Cost (2 pax)
Flight (chosen)	FLY91 IC 5301 nonstop	09:20-11:10	1h 50m	Rs 7,398
Flight (alt.)	IndiGo 6E 6163 nonstop	19:15-20:25	1h 10m	Rs 11,988
Train (indicative)	20675 Vishwamanav Exp, CC*	07:50-17:45	9h 55m	Rs 1,570
Cab	Sedan (Dzire/Etios), one-way	~10:00 start	11h 30m	Rs 13,673

* Train fare is indicative, quoted for 02-Nov-2026 (same weekday) – not bookable for 21-Dec until 22-Oct-2026.

Recommendation: Flights are the clear choice on both legs – the outbound flight costs ~6x the train's indicative fare but saves 7+ hours, and the return FLY91 flight at Rs 7,398 for two is barely 5x the (indicative, not-yet-bookable) train fare while taking a quarter of the time. The 603 km road trip (~11.5 hr one-way) is dominated by air on both cost and time and is not recommended for this leg; it is priced here only for completeness. Actual train fares/availability for these exact dates will only be visible once the 60-day booking window opens – re-check closer to the date if rail is preferred.

Where You'll Stay

Both properties were selected from live MakeMyTrip hotel search results (signed-out retail rates, for 2 adults / 1 room) balancing rating, location and price. Rates are PER NIGHT; the stay total is nightly rate x nights and is MakeMyTrip's own estimate (it quotes one representative nightly rate per date range, not a per-date breakdown).

North Goa: Park Inn by Radisson, Candolim (4-star, rated 3.9/5)

Nights	Room Type	Meal Plan	Nightly All-in	Stay Total
15-18 Dec (3N)	Standard Queen with Balcony, free cancellation	Breakfast included	Rs 10,265	Rs 30,795

Includes free cancellation (before 01 Dec), complimentary welcome drink, Rs 1,000 F&B credit and happy-hour 1+1 offer. Free breakfast is bundled into every rate plan at this property.

South Goa: Courtyard by Marriott, Colva (5-star, rated 4.7/5)

Nights	Room Type	Meal Plan	Nightly All-in	Stay Total
18-21 Dec (3N)	Deluxe Room, Queen Bed, free cancellation	Breakfast included	Rs 15,320	Rs 45,960

Includes free cancellation (before 13 Dec), complimentary bicycle, welcome alcoholic beverage, 10% off F&B and daily buffet breakfast. A pool-view upgrade is available for ~Rs 560 extra per night.

Budget alternative (either city): *The Hosteller Goa, Anjuna (3-star hostel/private rooms) prices around Rs 2,156-2,316 all-in per night, and Panjim City Dorms around Rs 1,202/night – either could cut the hotel line by roughly Rs 55,000-65,000 for a backpacker-style trip, at the cost of resort amenities.*

Local Transport & Cab Reference Rates

MakeMyTrip's outstation cab product does not sell 8hr/80km local sightseeing-day packages, so each point-to-point leg below was priced individually via mmt_cab_quote and used as the transport proxy for that day. Self-ride scooter rental is not sold on MakeMyTrip at all (no such product exists on the platform) and is sourced from current Goa travel-cost research instead.

Route	Vehicle	All-in Fare	Source
Dabolim Airport -> Candolim	Sedan (Dzire/Etios), CNG	Rs 2,045	MakeMyTrip cab quote
Candolim -> Old Goa (one-way)	Sedan (Dzire/Etios)	Rs 2,145	MakeMyTrip cab quote
Candolim -> Colva	Sedan (Dzire/Etios)	Rs 2,145	MakeMyTrip cab quote
Colva -> Palolem (one-way)	Sedan (Dzire/Etios)	Rs 2,145	MakeMyTrip cab quote
Colva -> Dudhsagar Falls (one-way)	Sedan (Dzire/Etios)	Rs 2,145	MakeMyTrip cab quote
Colva -> Dabolim Airport	Sedan (Dzire/Etios)	Rs 2,145	MakeMyTrip cab quote
Scooter rental	Activa/Access class	Rs 500-900 /day	Web research (not on MMT)

Note: distances for several of these point-to-point legs render as ~40 km / ~4 hr in MakeMyTrip's cab engine regardless of the actual geographic distance between the named localities – this looks like a platform default rather than a precise routing estimate, so treat the fares as directionally right but not GPS-precise. Return legs for the Old Goa, Palolem and Dudhsagar excursions are approximated as the one-way fare doubled, since MakeMyTrip's cab search only returns one-way outstation pricing on this route.

Attraction & Activity Fees (per person, research estimate)

Attraction	Per-person Fee
Fort Aguada & lighthouse	Rs 50
Basilica of Bom Jesus / Se Cathedral	Free (optional museum ~Rs 20-100)
Mandovi River sunset cruise	Rs 500
Spice plantation tour + Goan lunch	Rs 700
Dudhsagar Falls jeep safari (incl. permit)	Rs 700

* Web-research estimate (not a MakeMyTrip product): scooter rental, attraction/activity entry fees, and food. All other lines are live MakeMyTrip quotes for the stated dates. Hotel and flight rates are signed-out retail prices and can move before booking; cab fares are outstation point-to-point quotes used as a proxy for local sightseeing since MakeMyTrip has no day-package product.

Assumptions, Data Sources & Caveats

- **Pricing date:** All MakeMyTrip figures were fetched live on 05 Sep 2026. Fares and room rates change frequently (dynamic pricing) – treat every number here as an indicative benchmark, not a locked-in price, and re-quote close to your booking date.
- **Flights:** Cheapest nonstop option was chosen per leg from MakeMyTrip's live search (1 search per direction, respecting the 2-search budget). Fares are per-adult, one-way, economy, and exclude airport transfers (priced separately as cabs above) and seat/baggage add-ons.
- **Trains:** 15 & 21 Dec 2026 fall outside Indian Railways' 60-day advance-reservation window. MakeMyTrip's "indicative" fares (for 02-03 Nov 2026, the furthest bookable date on the same weekday) are shown only for cost/time comparison in the transport section – they are not valid quotes for the actual travel dates and are excluded from the Grand Total.
- **Hotels:** Rates are MakeMyTrip's signed-out retail nightly rates for 2 adults / 1 room, with free cancellation. The multi-night stay figure is nightly-rate x nights, which is MakeMyTrip's own estimate convention (it does not return a per-date breakdown for a range).
- **Local sightseeing cabs:** MakeMyTrip has no 8hr/80km local day-package product. Each excursion (Old Goa, Palolem, Dudhsagar) is priced as a one-way outstation sedan fare doubled, as a reasonable proxy for a there-and-back private cab. Actual day-rental packages booked locally in Goa are often cheaper (~Rs 2,500-4,000 all day) than two one-way fares – this is flagged as a potential saving.
- **Scooter, attractions, food:** Not sold on MakeMyTrip; sourced from current (2025-2026) Goa travel-cost web research and presented as ballpark per-day / per-person ranges, with the midpoint used in the budget total.
- **Party size & rooms:** Priced throughout for 2 adults sharing 1 hotel room. Costs scale roughly linearly for flights, cabs (per vehicle, so 2 adults = same cab cost as up to 4) and food, but hotel and cab costs do NOT double for a larger party in the same room/vehicle – re-quote for your actual group size.
- **Excluded from this budget:** Travel insurance, visa/ID fees (not applicable for domestic Indian travel), alcohol beyond what's bundled into hotel welcome offers, shopping/souvenirs, spa/water-sports add-ons, and any tips or gratuities.
- **Tool call budget compliance:** This report used exactly 2 flight searches (1 outbound, 1 return, both via mmt_intercity_options which internally spends one mmt_flight_search call each) and no date- or airport-sweeping; Goa is treated as GOI (Dabolim) per default MMT convention.

This report was generated by an AI travel-planning assistant using the MakeMyTrip MCP tool suite (flight search, hotel search/rates, cab quotes, intercity comparison) plus supplementary web research for on-ground activity costs. It does not constitute a booking, quote, or offer – verify all prices directly on MakeMyTrip or with the respective vendor before purchase.
