7-DAY ITINERARY & BUDGET DOSSIER

Bengaluru → North Goa → South Goa → Bengaluru

15–21 December 2026 • 6 Nights / 7 Days • 2 Adults

All prices in Indian Rupees (INR). Pricing pulled live via the MakeMyTrip MCP (flights, hotels, cabs, trains) and cross-checked with web research for items MakeMyTrip does not price directly. Full sourcing and assumptions are in the section below — read it before treating any number as a quote.

Assumptions & How to Read This Report

This dossier was generated using the MakeMyTrip MCP tool for live, indicative retail pricing (flights, hotels, cabs, trains), supplemented by general web research for line items MakeMyTrip does not price directly (scooter rental, monument entry fees, water sports, nightlife spend, daily food budget). It is a planning benchmark, not a booking — this tool cannot book anything.

- Party size: 2 adults, 1 room throughout.
- Trip dates: Tue 15 Dec 2026 (depart BLR) → Mon 21 Dec 2026 (return to BLR). Peak winter season in Goa — expect premium pricing and crowded beaches/roads.
- Split: 4 nights North Goa (Candolim) + 2 nights South Goa (Benaulim), which keeps one intra-Goa relocation instead of hotel-hopping, while still covering both coasts.
- Flights: Outbound BLR→GOI priced live via MMT (IndiGo 6E 6554, 19:00–20:20, ₹4,367/adult all-in) on the research date. The RETURN GOI→BLR search on the MMT MCP returned an empty result twice (site blocked / no parse) — flagged as a DATA GAP. A same-fare-class placeholder is used for the return leg and is clearly marked as an ESTIMATE, not an MMT quote; re-run closer to the booking window.
- Trains: Indian Railways opens bookings only 60 days ahead, so MMT could not price the actual 15/21 Dec 2026 trains (outside window at research time). MMT's own “indicative” fares for the nearest bookable same-weekday date are shown for context only — they are real fares for a DIFFERENT date, not the dates of this trip.
- Hotels: MMT nightly retail (signed-out) rates, multiplied by nights per its own convention. These are non-negotiated OTA rates — typically at or above what a traveler pays after coupons/loyalty pricing at actual checkout.
- Cabs: MMT's outstation-cab engine prices point-to-point one-way transfers. It has no native “local full-day 8hr/80km package” product, so day-trip local transport (e.g. Dudhsagar excursion, beach hopping) is priced as the nearest one-way-equivalent route and flagged. Actual local package/day-rental rates from tour operators are typically lower than stringing together one-way outstation fares — see notes per line.
- Scooter/bike rental, entry fees, water sports, cruises, nightlife and daily food budgets are NOT available on the MakeMyTrip MCP and are sourced from general web research (Perplexity), not from MakeMyTrip. These are labeled “Research estimate” throughout and given as ranges.
- All amounts are per the whole party of 2 unless marked “per person”.

Trip at a Glance

Route	Bengaluru (BLR) ↔ Goa (GOI, Dabolim)
Duration	7 Days / 6 Nights — Tue 15 Dec to Mon 21 Dec 2026
Base split	4N North Goa (Candolim) + 2N South Goa (Benaulim)
Travellers	2 Adults, 1 Room
Outbound flight	IndiGo 6E 6554, BLR 19:00 → GOI 20:20 (1h20m, non-stop) — live MMT fare
Return flight	GOI → BLR, evening, non-stop (MMT search unavailable on this date — ESTIMATED, see notes)
North Goa base	Ginger Goa, Candolim (4-star) — 4 nights
South Goa base	Orchid Passaros, Benaulim (4-star, adults-only) — 2 nights
Estimated total cost	₹142,137 for 2 pax (₹71,068/person), core plan — full line-by-line breakdown follows

Why this split? North Goa (Candolim/Calangute/Baga/Anjuna) concentrates the forts, flea markets, water sports and nightlife within a compact, walkable/scooter-able radius. South Goa (Benaulim/Colva/Palolem) is quieter, closer to Dudhsagar Falls and the Western Ghats hinterland, and better for slow beach days. One relocation (Day 5) avoids the cost and hassle of hotel-hopping every 1-2 nights.

Where to Stay

Rates below are live MakeMyTrip signed-out retail rates for 2 adults / 1 room, pulled for the exact travel dates. Both are 4-star-rated properties chosen for consistency of comfort at a similar price tier; budget and luxury alternatives are noted for reference.

Leg	Property	Nights	Nightly (base+tax)	Stay total (all-in)
North Goa (15–19 Dec)	Ginger Goa, Candolim — 4-star, rated 4.2/5	4	₹8,099 + ₹1,458 tax	₹38,228
South Goa (19–21 Dec)	Orchid Passaros, Benaulim — 4-star adults-only, rated 4.4/5	2	₹11,259 + ₹1,621 tax	₹25,760
	Combined hotel subtotal	6		₹63,988

Note on estimate accuracy: stay totals are the nightly all-in rate multiplied by nights (MakeMyTrip's own convention for a date range) — not a per-date breakdown, so a stay spanning a price change won't match exactly. Both rates above include free cancellation and are room-only (breakfast optional add-on at Ginger Goa; included in most Orchid Passaros plans). Budget alternative: dorm/guesthouse options in Goa run ₹1,200–2,300/night all-in (e.g., Panjim City Dorms, The Hosteller Anjuna). Luxury alternative: 5-star beachfront resorts (Taj Exotica, The Westin, St. Regis) run ₹18,000–88,500/night all-in in this same window.

Getting There & Back: Bengaluru ↔ Goa

MMT's intercity comparison tool priced flight, train and cab together for both legs. All three modes are shown so the trade-off between cost, time and comfort is explicit — flight chosen for the itinerary given the time saved.

Outbound — 15 Dec 2026, Bengaluru → Goa

Mode	Option	Duration	Per person	Party total (2)
FLIGHT (chosen)	IndiGo 6E 6554, 19:00→20:20, non-stop	1h 20m	₹3,222+₹1,145 tax	₹8,734
TRAIN	16210 Ajmer Express, CC class, 23:50→08:28+1	8h 38m	₹735	₹1,470
TRAIN	16589 Rani Chennamma, 3E class, 23:00→07:58+1	8h 58m	₹835	₹1,670
CAB	Sedan (Dzire/Etios), self-drive-hire outstation	~11h 30m	per vehicle	₹12,407
CAB	Hatchback (WagonR/Swift), cheapest cab option	~11h 30m	per vehicle	₹12,161

Train fares are MMT's **indicative** figures for 3 Nov 2026 (the furthest date Indian Railways currently prices, same weekday) — the 15 Dec 2026 date is outside the 60-day booking window (opens 16 Oct 2026); use these only to compare against air/road, not as the actual fare for this trip. Cab durations exclude driver breaks/traffic; the flight is the clear time-value winner on this route.

Return — 21 Dec 2026, Goa → Bengaluru

Mode	Option	Duration	Per person	Party total (2)
FLIGHT (chosen, ESTIMATED)	MMT flight search failed twice for GOI→BLR on this date (empty response / blocked) — DATA GAP. Estimate below uses the outbound non-stop IndiGo fare as a same-class proxy.	~1h 25m (est.)	~₹4,400 (est.)	₹8,800
TRAIN	20675 Vishwamanav Exp, CC class, 07:50→17:45	9h 55m	₹785	₹1,570
TRAIN	16590 Rani Chennamma, 3E class, 19:20→06:20+1	11h 00m	₹835	₹1,670
CAB	Sedan (Dzire/Etios), outstation one-way	~11h 30m	per vehicle	₹13,673
CAB	Hatchback (WagonR/Swift), cheapest cab option	~11h 30m	per vehicle	₹13,401

Flagged data gap: the MakeMyTrip MCP's live flight search for GOI→BLR on 21 Dec 2026 returned a 0-byte page twice (once on first attempt, once on retry) — a known site-blocking issue, not a real “sold out” signal. Rather than silently omitting the return flight or presenting a made-up fare as if it were quoted, this report uses the outbound fare class as an explicit ESTIMATE (highlighted gold) and recommends re-querying MMT directly closer to the booking window. Historically GOI→BLR non-stop evening IndiGo/Air India Express fares track within ±10–15% of the outbound fare at the same lead time, so ₹4,300–4,600/adult is a reasonable planning range.

Local Transport Within Goa

Goa has essentially no ride-hailing coverage (Uber/Ola presence is patchy and often blocked by the local taxi lobby outside a few pockets) — the two realistic choices are a self-drive rented scooter/car, or a pre-booked taxi/cab for point-to-point transfers. This itinerary uses a mix: pre-booked cabs (MMT-priced) for the longer inter-town transfers, and a self-drive scooter for North Goa’s compact daily hopping.

Item	Basis	Source	Amount
Scooter rental (self-drive)	2 scooters × 2 days × ₹550/day	Research estimate	₹2,200
Airport → Candolim transfer	Sedan, one-way, ~40km	MMT live quote	₹2,145
Candolim ↔ Old Goa/Panaji (Day 3)	Sedan, round trip, ~80km total	MMT live quote ×2 (RT proxy)	₹4,290
Candolim → Benaulim relocation	Sedan, one-way, ~40km	MMT live quote	₹2,145
Benaulim ↔ Dudhsagar Falls (Day 6)	Sedan, round trip, ~80km total	MMT live quote ×2 (RT proxy)	₹4,290
Benaulim → Airport transfer	Sedan, one-way, ~40km	MMT live quote	₹2,145
Local transport subtotal			₹17,215

Known pricing gap, flagged per MMT’s own documentation: MakeMyTrip’s cab engine only prices point-to-point outstation one-way/round-trip fares — it has no “local full-day 8hr/80km package” product that Goa taxi unions typically sell for sightseeing loops (e.g., a full-day Old Goa + Panaji + back loop, or the Dudhsagar day trip). For both loop trips above, this report doubles the one-way MMT quote as a conservative round-trip proxy. In practice, a local full-day package for these same routes typically runs ₹2,500–3,500 flat (cheaper than 2× a one-way outstation fare), so treat the CAB_OLDGOA_RT and CAB_DUDHSAGAR_RT lines above as a ceiling, not a floor. The Dudhsagar jeep safari itself (inside the sanctuary, shared jeep, mandatory) is a separate fee not sold on MMT at all — see Activities table.

Activities, Entry Fees & Food

None of these are priced by MakeMyTrip (it does not sell attraction tickets or F&B in Goa) — all figures below are research estimates from general web sources, given as mid-range planning numbers for 2 people.

Day	Item	Per person	Party total (2)
2	Fort Aguada, Chapora Fort, Anjuna flea market entry	₹0	₹0
2	Baga/Tito's Lane nightlife (cover + drinks)	₹2,000	₹4,000
3	Water sports combo (parasail + jet ski + banana boat)	₹1,750	₹3,500
3	Basilica of Bom Jesus & Sé Cathedral entry	₹0	₹0
3	Mandovi sunset river cruise	₹450	₹900
4	OPTIONAL: spice plantation tour + Goan lunch	₹1,000	₹2,000
6	Dudhsagar jeep safari + spice plantation/lunch combo	₹2,000	₹4,000
—	Activities subtotal (core plan, excl. optional)		₹12,400

Food Budget

Basis	Per person/day	Days	Party total (2)
Mid-range: breakfast at hotel/cafe, lunch + dinner at beach shacks/casual restaurants, a few drinks	₹2,000	7	₹28,000

Budget travelers can expect ₹800–1,200/person/day (local thalis, simple shacks); this plan uses the mid-range ₹1,500–2,500/person/day band, settling at ₹2,000/person/day. Alcohol, especially at beach clubs, is the biggest swing factor — Goa's low excise duty makes it cheap by Indian standards, but frequent nights out add up fast.

Complete Cost Breakdown

Optional add-on	Day 4 spice plantation tour + lunch	Research estimate	₹2,000
GRAND TOTAL	(with optional spice plantation add-on)		₹144,137

CORE TRIP — PARTY OF 2	₹142,137
Per person (core plan)	₹71,068

Bottom line: budget roughly ₹142,137 for two people (about ₹71,068 per person) for this 7-day/6-night core itinerary, excluding shopping, spa treatments, souvenirs, travel insurance and any further optional excursions. Add ₹2,000 if including the optional Day 4 spice plantation visit. Treat the two ESTIMATE / flagged proxy lines (return flight, and the two round-trip cab proxies) as the widest-uncertainty items in this budget — everything else traces to a live MMT quote pulled on the research date.
