See "Assumptions & Data Sources" at the end of this report for full detail.

Day-by-Day Itinerary

Base: 2 adults. 4 nights North Goa (Vagator/Anjuna belt) + 3 nights South Goa (Benaulim/Colva belt), the split research consistently recommends for a 7-night December visit – North for forts, markets and nightlife, South for quieter beaches and a relaxed finish. One hotel change only, to avoid burning a travel day.

This is a day-package MakeMyTrip does not price directly, so the fee below is a market rate for a shared 4x4 safari + entry, inclusive of pickup/drop from North Goa.

Dudhsagar Falls jeep safari day-trip, shared 4x4, pickup/drop incl. (2 pax)	Rs 5,500	EST

Day 5 · Sun 20 Dec

Relocate North → South Goa

Check out of Vagator late morning. En-route stop at Arpora / Mapusa for souvenirs if the Saturday Night Market timing doesn't align (it runs Sat evenings, so this trip's dates don't hit it — noted as a schedule constraint, not swapped for a substitute cost). Direct transfer south to Benaulim (~65-70 km, ~2 hours), check in to **Fairfield by Marriott Goa Benaulim**. Evening at leisure on Benaulim beach.

Item	Cost (2 pax)	Source
Transfer Vagator → Benaulim (sedan, cross-Goa relocation)	Rs 2,145	MMT

Day 6 · Mon 21 Dec

South Goa beaches · Colva

Full-day local cab hire covering South Goa's quieter belt: Colva beach, Betalbatim, Majorda, and a look at Cabo de Rama Fort viewpoint. Relaxed pace — fewer crowds than the North. Seafood dinner at a Colva shack.

Day 7 · Tue 22 Dec

Leisure day · Benaulim/Varca

Free day to relax by the resort pool/beach, optional spa session, or a short scooter ride to Varca and Fatrade beach. Kept deliberately light as a buffer day before the flight home — also absorbs any slippage from Day 4's Dudhsagar trip. Farewell dinner.

Item	Cost (2 pax)	Source
Scooter rental, optional, full day (2 scooters)	Rs 1,400	EST
Farewell dinner, Day 7 (2 pax, sit-down restaurant)	Rs 2,800	EST

Day 8 · Wed 23 Dec

Goa → Bengaluru

Check out of Fairfield Benaulim by late morning. Cab to Dabolim Airport (~30 km, ~45-60 min). Fly IndiGo 6E 901, GOI 22:45 → BLR 23:55 (1h10m nonstop) — a late-evening return keeps the whole day free in Goa; earlier options exist (6E 6584 13:15, 6E 6163 19:15) at a similar fare if an earlier arrival into Bengaluru is preferred.

Item	Cost (2 pax)	Source
Flight GOI→BLR, IndiGo 6E 901, 2 adults (Economy)	Rs 11,358	MMT
Airport transfer: Benaulim → Goa Airport (sedan)	Rs 2,145	MMT
Meals, Day 8 (2 pax, breakfast + airport snacks)	Rs 1,300	EST

Note on train & road alternatives: MakeMyTrip's rail search for these dates falls outside the 60-day IRCTC booking window (opens 17 & 24 Oct 2026 respectively); indicative AC-class fares for a comparable date are Rs 1,470–1,670 per couple one-way (8.5–9.5 hr) — cheaper than flying but 6-8x slower in transit time. A self-drive/outstation cab one-way runs Rs 12,100–12,450 for the 603 km route — costlier AND slower than flying for this route, so flights are the clear choice both ways.

Intercity Transport – Mode Comparison

Priced via the MakeMyTrip MCP's combined intercity comparator for both legs (2 adults). Flight fares are per-adult and doubled for the party; cab fares are per-vehicle already. All rows below list base and tax separately as MakeMyTrip does. **Dominated** = both dearer and slower than another option on the same leg.

Leg 1: Bengaluru → Goa, 16 Dec 2026

Mode	Option	Depart-Arrive	Duration	Base	Tax	Total (2 pax)	Dominated?
Flight	IndiGo 6E 6753 (chosen)	16:10-17:30	1h20m	9,644	2,450	12,094	No
Flight	IndiGo 6E 977	20:50-22:10	1h20m	9,644	2,450	12,094	No
Flight	IndiGo 6E 6583	11:20-12:40	1h20m	10,244	2,480	12,724	Yes
Train	16210 Ajmer Exp (CC)*	00:03-08:28	8h25m	-	-	1,470	No
Train	16589 Rani Chennamma (3E)*	23:00-07:58	8h58m	-	-	1,670	No
Cab	Sedan (Dzire/Etios)	on request	11h30m	11,450	957	12,407	Yes
Cab	Hatchback (WagonR/Swift)	on request	11h30m	11,216	945	12,161	Yes

*Train fares are indicative — this route falls outside IRCTC's 60-day booking window until 17 Oct 2026, so MakeMyTrip quoted the nearest priced date (4 Nov 2026, same weekday pattern) as a stand-in for comparison, not the 16 Dec fare itself. **Chosen: flight** — cab is both costlier and far slower (dominated); train is cheaper but ~7x the flight's in-vehicle time, losing most of Day 1.

Leg 2: Goa → Bengaluru, 23 Dec 2026

Mode	Option	Depart-Arrive	Duration	Base	Tax	Total (2 pax)	Dominated?
Flight	IndiGo 6E 901 (chosen)	22:45-23:55	1h10m	8,054	3,304	11,358	No
Flight	IndiGo 6E 6584	13:15-14:25	1h10m	8,654	3,334	11,988	Yes
Flight	IndiGo 6E 6163	19:15-20:25	1h10m	8,654	3,334	11,988	Yes
Train	20675 Vishwamanav Exp (CC)*	07:50-17:45	9h55m	-	-	1,570	No
Train	16590 Rani Chennamma (3E)*	19:20-06:20	11h00m	-	-	1,670	No
Cab	Sedan (Dzire/Etios)	on request	11h30m	11,400	1,038	12,438	Yes
Cab	Hatchback (WagonR/Swift)	on request	11h30m	11,165	1,026	12,191	Yes

*Same indicative-date caveat as Leg 1 (train booking opens 24 Oct 2026). **Chosen: flight** for the same reason — the late 22:45 departure is the cheapest of the three nonstops and still returns same-day, keeping Day 8 free for a relaxed checkout.

Local & Point-to-Point Transport (within Goa)

Item	Cost (2 pax)	Source
Airport (GOI) → Vagator, Day 1	Rs 2,045	MMT
Vagator → Old Goa/Panaji → Vagator, Day 3 (half-day)	Rs 2,145	MMT
Vagator → Benaulim relocation, Day 5	Rs 2,145	MMT
Benaulim → Goa Airport (GOI), Day 8	Rs 2,145	MMT

Full-day local cab (8hr/80km), North Goa loop, Day 2	Rs 3,000	EST
Full-day local cab (8hr/80km), South Goa loop, Day 6	Rs 3,000	EST
Optional scooter rental x2, full day, Day 7	Rs 1,400	EST

MMT rows are live point-to-point cab quotes from the MakeMyTrip MCP (Savaari/Taxibazaar/Eroovo operators, sedan class chosen as the best price/comfort balance). EST rows are full-day 8hr/80km local hire packages, which MakeMyTrip's cab funnel does not price (it only prices point-to-point trips) — market rate of Rs 2,500-4,000/day is used per web research, and scooter rental at Rs 500-800/day/scooter.

Hotels

Both properties are 4-star, live-priced via the MakeMyTrip MCP hotel search & rates tools for the exact travel dates, 1 room / 2 adults. Rates shown are the cheapest available rate plan at each property (room-only, non-refundable) plus the retail all-in nightly rate MakeMyTrip displays.

North Goa (16–20 Dec, 4 nights): ibis Styles Goa Vagator – An Accor Brand

Item	Cost (2 pax)	Source
Star rating / Guest review	4-star / 4.4	MMT
Room type (cheapest)	Standard Twin/Queen Room, Room Only	MMT
Nightly base	Rs 6,163	MMT
Nightly tax	Rs 557	MMT
Nightly all-in	Rs 6,720	MMT
4-night stay estimate (all-in)	Rs 26,880	MMT
Cancellation	Non-refundable on cheapest plan; free-cancellation plan available at +Rs 395/night	MMT

Why Vagator: central to the Anjuna-Vagator-Baga-Calangute nightlife/beach belt, walkable to Chapora Fort, ~25 min from Old Goa/Panaji, ~40 min from the airport.

South Goa (20–23 Dec, 3 nights): Fairfield by Marriott Goa Benaulim

Item	Cost (2 pax)	Source
Star rating / Guest review	4-star / 4.5	MMT
Room type (cheapest)	Fairfield Deluxe Queen, Free Cancellation, Room Only	MMT
Nightly base	Rs 12,500	MMT
Nightly tax	Rs 2,250	MMT
Nightly all-in	Rs 14,750	MMT
3-night stay estimate (all-in)	Rs 44,250	MMT
Cancellation	Free cancellation before 15 Dec 2:59 PM on this plan	MMT

Why Benaulim: quiet upscale South Goa beach belt next to Colva & Varca, ~30 min from the airport for an easy departure-day transfer. Higher-rated (4.5) than the North property and includes free cancellation on the booked plan, useful given the Dec-peak pricing volatility.

Combined stay total via MakeMyTrip's multi-stop pricer: **Rs 62,152 base + Rs 8,978 tax = Rs 71,130 all-in** for 7 nights, 1 room, 2 adults. This is an OTA retail benchmark, not a locked price — MakeMyTrip quotes one representative nightly rate per date range rather than a per-date breakdown, so actual booking totals may vary slightly, especially this close to Christmas week.

Consolidated Budget – Line by Line

Every line item across the 8-day trip, in order incurred, for 2 adults. [MMT] rows are live MakeMyTrip MCP quotes fetched 6 Sep 2026; [EST] rows are web-researched market benchmarks for items MakeMyTrip's public tools do not price (local day-hire cabs, scooters, entry tickets, activities, meals).

Activities & entries	Rs 8,800
Meals (8 days, indicative)	Rs 13,000
Dudhsagar Falls day-trip package	Rs 5,500
GRAND TOTAL (2 adults)	Rs 1,37,762
Per person	Rs 68,881
Per day, party of 2 (8 days)	Rs 17,220

Budget flex: the figures above use mid-range choices throughout (4-star hotels, sedan cabs, moderate-priced activities). A leaner version — 3-star hotels, shared local transport, skipping the Mandovi cruise and water sports — could bring the per-person figure down toward Rs 45,000-50,000. A more premium version (5-star resort stays, private car throughout, spa treatments) could push it past Rs 1,00,000 per person.

Assumptions & Data Sources

What came from MakeMyTrip (live, [MMT])

- Flight fares: mmt_intercity_options, Bengaluru↔Goa, 2 adults, Economy, fetched 6 Sep 2026 for travel on 16 & 23 Dec 2026. One flight search per direction, per the two-search call budget.
- Hotel rates: mmt_hotel_search + mmt_hotel_rates + mmt_price_itinerary for ibis Styles Goa Vagator and Fairfield by Marriott Goa Benaulim, 1 room / 2 adults, exact check-in/out dates.
- Point-to-point cab fares: mmt_intercity_options / mmt_cab_quote for Airport↔Vagator, Vagator↔Old Goa/Panaji, Vagator↔Benaulim, and Benaulim↔Airport, sedan class chosen (best price/comfort trade-off; hatchback is marginally cheaper, SUV is dominated on every leg).
- Train fares: same comparator, flagged indicative because 16 & 23 Dec 2026 fall outside IRCTC's 60-day reservation window (opens 17 & 24 Oct 2026) — MakeMyTrip substituted the furthest currently-priced date on the same weekday pattern.

What was web-researched ([EST]) and why

- Full-day (8hr/80km) local sightseeing cab hire: MakeMyTrip's cab tool prices point-to-point trips only, not day packages, per the tool's own documented gap. Substituted with a Perplexity-sourced market range of Rs 2,500-4,000/day; Rs 3,000 used.
- Scooter rental: not sold on MakeMyTrip; Rs 500-800/day/scooter market range used, Rs 700 x 2 assumed.
- Entry tickets (Fort Aguada, Old Goa churches), water sports, Mandovi cruise, Dudhsagar Falls jeep safari: none of these are inventoried on MakeMyTrip's searchable funnels (holiday packages there are quote-on-enquiry, not searchable). Perplexity web research supplied December-2026 market ranges; the midpoint or a slightly conservative figure was used in each case.
- Meals: no OTA prices day-to-day food. Estimated at Rs 600-1,400/meal-set per day per couple depending on whether a paid activity/dinner (cruise, farewell dinner) already includes food.

Key caveats

- All MMT figures are signed-out retail rates captured on 6 Sep 2026 and are NOT a booking or a price lock. Hotel figures in particular are a representative nightly rate x nights, not a per-date breakdown, so a booking spanning a rate change will differ slightly from the estimate shown.
- December 16-23 is Goa's peak/Christmas-run-up season; all EST figures may run higher during the actual Christmas/New Year week (24 Dec onward), which this trip's dates avoid by ending on 23 Dec.
- Arpora's famous Saturday Night Market runs Saturday evenings; this itinerary's one Saturday (19 Dec) is dedicated to the Dudhsagar Falls day trip, so the market was consciously left out rather than priced as a substitute.
- This report contains no booking, cart or payment step of any kind — the MakeMyTrip MCP tool used deliberately has no such capability. All fares should be re-verified on MakeMyTrip or the airline/hotel/operator's own channel before purchase.
- Call budget used: 2 flight searches total (1 outbound BLR→GOI, 1 return GOI→BLR), no date or airport sweeping, each MCP call used at most once (no retries needed).

Report generated by an AI travel-planning assistant using the MakeMyTrip MCP server (live pricing) and Perplexity MCP (web research) on 6 September 2026, for a hypothetical booking window opening 16 December 2026.
