

Bengaluru to Goa - 6 nights, 2 adults

2026-12-15 to 2026-12-21 | 2 adults

Every rupee figure marked mmt_* was returned by a live MakeMyTrip MCP tool call on 2026-09-05 (raw results in step3-out.json). Figures marked web/estimate are not from the MCP server and are labelled as such. Flight fares are per adult; the hotel figure is the stay total for the whole range, counted once; cab fares are per vehicle.

Day by day

2026-12-15 - Bengaluru -> Goa, check in at Candolim

IndiGo 6E 6554 BLR 19:00 -> GOI 20:20, nonstop, 1h20m (Rs 4,367/adult all-in)
11 of the 25 itineraries MakeMyTrip returned actually land at GOI; the rest are nearby airports (SDW) that the tool flags as alternate_airport and I excluded.
Check in: Hyatt Centric Candolim Goa, 5*, review 4.3

2026-12-16 - Candolim and Calangute

Beach day, no priced transport - walking distance from the hotel.

2026-12-17 - Panaji - old quarter and the riverfront

Cab Panaji -> Goa (Calangute), 40 km (Rs 1,945 per vehicle, Taxibazaar WagonR/Swift CNG)
This is the local-transport substitute leg from the run plan.

2026-12-18 - South Goa - leisure

Unpriced: no cab quote was taken for this day.

2026-12-19 - Dudhsagar Falls via Kulem

Cab Goa -> Kulem, 40 km, round trip (Rs 2,145 per vehicle, Eroovo Dzire/Etios diesel)
Jeep safari from Kulem into the falls: Rs 700/person + Rs 40/person life jacket (web)
Forest park entry Rs 20/person (web). About 1h30m is allowed at the falls.

2026-12-20 - Candolim - leisure

Unpriced: no transport booked.

2026-12-21 - Goa -> Bengaluru

IndiGo 6E 6163 GOI 19:15 -> BLR 20:25, nonstop, 1h10m (Rs 5,994/adult all-in)
12 of the 25 itineraries actually depart GOI; the cheapest row overall (FLY91 IC 5301, Rs 3,699) leaves from SDW, not Goa, so it is excluded.

Alternatives (not in the total)

- Driving instead of flying: cab Bengaluru -> Goa 603 km, one-way Rs 12,161 all-in (Savaari WagonR/Swift CNG); round trip Rs 20,264. Both per vehicle, from mmt_cab_quote. The round trip beats two one-ways (Rs 24,322) but loses to the Rs 20,722 of flights.

Not priced

- GOI airport <-> Candolim hotel transfers, both ways. No airport place is registered in .state and no quote was taken, so this is genuinely missing from the total.
- 18 and 20 Dec local transport - leisure days, nothing quoted.
- Trains BLR<->Goa: mmt_train_search returns not_in_window on both dates. Indian Railways opens the 60-day ARP on 2026-10-16 (outbound) and 2026-10-22 (return), so no rail fare can exist yet. This is correct tool behaviour, not a failure.
